13. If any work is to be carried out by a member of a Union Committee or by a contractor under the supervision of a member of a Union Committee, advances may be paid, with the sanction of the Union Committee, either to such member or to the contractor. The person to whom an advance is paid shall keep proper accounts of the amount advanced, and shall submit an account duly supported by vouchers to the Union Committee within three months from the date of the advance. No fresh advances shall be paid until the previous advance is adjusted.

14. As soon as an advance is paid under rule 13 the Chairman shall enter it, as a payment, under the head "advances," on the payment side of the cash-book (Form No. 3 or 2 according as the Union Committee has an account with the local Treasury or not) and make the necessary entries in the payment side (columns 1, 2, 3 and 12 in Form No. 2, or 1, 2, 3 and 13 in Form No. 3, as the case may be). The payment orders shall be used as vouchers and numbered serially and the serial numbers entered in the payment side (column 3). The advance shall also be entered in columns 1 to 5 on the debit side of the Advance Register (Form No. 10), and for each person to whom advances are given a separate account shall be opened in the Register. Advances paid to the same person for more than one work shall be entered as separate entries both in the cash-book and in the Advance Register. When advances are recovered either in cash or by work bills, necessary entries shall be made in columns 1 to 5 on the credit side of the Advance Register. If the advance is recovered in cash, it shall be entered as "advance recovered" on the receipt side of the cash-book (Form No. 2 or 3). If, however, the recovery is made by work-bill, the amount shall, in the first instance, be posted in the Adjustment Register (Form No. 11), not only in column 4, as a credit, but also under the appropriate head on the payment side (columns 6 to 10). The totals of the Adjustment Register for the month shall be posted under the appropriate heads of the cash book.

Quarterly Accounts.

15. As soon as possible after the close of each quarter on a day to be fixed by the District Board, the quarterly account of the Union Committee shall be closed and a consolidated account, showing the total receipts and payments during the period under the several heads of accounts with opening and closing balances, shall be prepared in a form similar to the cash-book, but omitting the first two columns of the receipt side and the first three of the payment side in case of Form No. 2, and columns 1, 2, 10 and 11 of the receipt side and columns 1 to 4 of the payment side in case of Form No. 3. This shall be account submitted the same day it is closed to the District Board direct after actual counting of the closing balance or comparison with the Treasury or Savings Bank pass-book. The vouchers should be forwarded with the account.

Abstract of Annual Expenditure.

16. An abstract of annual expenditure together with a statement of the charges for establishment (if any), shall be published by posting up a copy signed by the members of the Union Committee at the office of the Union Committee or in any neighbouring *hat* which is generally frequented by the villagers belonging to the Union.

17. The abstract of annual expenditure shall be prepared in Form No. 12 and published not later than one month after the close of the year to which it relates.

Audit of Accounts.

18. (1) The District Board shall check the accounts and vouchers of Union Committees before they are incorporated in the cash-book and accounts of the District Board. The vouchers should be checked and returned to the Union Committee within three days.

(2) At least once a year a complete audit of the Union Committee's account shall be carried out within the Union by the audit officer or such other officer as may be deputed by the Chairman of the District Board.

(3) The registers and accounts of the Union Committee shall also be produced when required for audit by the local auditors; but unless the audit is made within the union no member of the Union Committee shall be required to attend.

Register of Lands and public rights of way.

19. A proper record of all lands, including roads, lands on roadsides, sites of buildings, tanks, etc., in the possession of the Union Committee either as owner or controller shall be kept in Form No. 13. If any plot of land shown in the register is sold or otherwise transferred from the possession of the Union Committee, the entry for it shall be struck off and the facts in connection with the transfer or sale stated in the column for remarks under the initials of the Chairman. The register shall be annually examined by the Chairman and attested with his signature and date.

Any assessment or enhancement made under this rule shall take effect from the beginning of the quarter next after that in which such assessment or enhancement is made.

15. The Union Board may, at any time, substitute for any name mentioned in the assessment list the name of any new owner or occupier of a building, and may assess the tax on such person, and such person shall be liable to pay such assessment from the first day of the quarter next after that in which such person's name was substituted in the assessment list.

Immediately after the 10th day of each quarter the Union Board shall prepare a list of the persons who may have failed to pay their respective instalment of the rate for such quarter, showing the amount due from each of such defaulters, and shall publish such list in some conspicuous places in the Union.

21. If any of the defaulters shall not, within 15 days of the publication of the list under rule 20, pay the sum due, or show to the Union Board sufficient cause for not paying the same, the President, or if so directed by him, the Vice-President, shall cause the chaukidar or any other person authorised in writing by the President or the Vice-President, to levy, by the distraint and sale of a sufficient portion of the movable property of the defaulter, except plough-cattle and tools and implements of trade and agriculture, the amount of his arrear, together with a sum equal to half the amount of such arrear, by way of penalty:

Rules under the Bengal Village Self-Government Act, 1919, for the election and appointment of Members and Presidents of Union Boards and the election of Vice-Presidents.

PRELIMINARY.

1. The first election of a union board under these rules shall take place within six months after its establishment under section 6 of the Bengal Village Self-Government Act, 1919:

Provided that the Local Government may, at any time by an order in writing, extend such period.

2. The District Magistrate shall decide in what manner each union shall be divided into electoral wards and the number of members to be returned for each of such wards:

Provided that, if it is thought convenient, a union may consist of one electoral ward only.

REGISTRATION OF VOTERS.

3. The circle officer shall cause to be prepared for each union, ward by ward, a register of persons qualified to vote.

4. The members of a joint undivided family qualified under clause (iii) of sub-section (1) of section 7 of the Act shall nominate a male member of the family of the full age of 21 years and having a place of residence within the union, to vote on their behalf at an election. The name of the member so nominated shall be communicated to the circle officer at least three months before the date fixed for the election, and shall be entered in the register of voters.

5. At least two months before the date fixed for an election a copy of the list of persons qualified to vote in each ward of any union shall be published at a conspicuous place within such ward.

6. Any person whose name does not appear in the register and who claims the right to vote, and any person who considers that any name in the register ought to be omitted, may submit to the circle officer an application to have his name inserted in, or the name of another person omitted from, the register. All such applications shall state distinctly the grounds of application and shall be made at least one month before the date fixed for the election. They shall be enquired into by the circle officer on a date to be previously intimated to the persons concerned. The decision of the circle officer shall be final.

7. The register of voters as amended after the decision of claims and objections under rule 6 shall be considered to be the final register of persons entitled to vote at the election, and no person whose name does not appear in such register shall be permitted to vote.

CANDIDATES FOR ELECTION.

8. The circle officer shall, at least six weeks before the date fixed for the election, issue notices calling for names of candidates for each ward. Such notices shall be published at every village within the ward. Within four weeks from the date of publication of the notices, every person who is a candidate for election shall send his name to the circle officer in writing supported by the signatures of five voters:

Provided that the circle officer, if specially empowered by the Local Government in this behalf, may, for reasons to be recorded by him in writing, receive nominations, whether verbally or in writing, up to the time fixed for polling.

9. The circle officer shall ascertain whether all the candidates are duly qualified under sub-section (2) of section 7 of the Act; and his decision on this point shall be final.

THE MANNER OF HOLDING ELECTIONS.

10. If the number of candidates is not greater than the number of vacancies, the presiding officer shall at once declare such candidates to be duly elected.

11. If the number of candidates exceeds the number of vacancies, a list showing, ward by ward, the names of candidates who are duly qualified shall be published in each ward in a conspicuous place and by beat of drum at least one week before the date fixed for the election. No candidate whose name does not appear in the list shall be eligible for election.

12. The election shall be held on such date or dates and at such place or places within the union as may be fixed by the circle officer subject to rule 1. The place or places at which and the hours between which the voters will attend for the purpose of giving their votes shall be notified within the union by the publication of notices and by beat of drum at the same time as the list of candidates is published under rule 11.

13. The elections for the different wards in the union shall be held, either in succession or simultaneously, and the circle officer and such other person or persons, not being themselves candidates, deputed by the District Magistrate for the purpose, shall preside at such elections.

14. The proceedings for the election for each ward shall commence by the presiding officer explaining the nature and objects of the meeting to the assembled voters. He shall then read out the list of candidates and state the number of vacancies for such ward.

15. The presiding officer shall then proceed to take a poll for each candidate, recording the number of votes given for each candidate with his own hand.

16. The votes of all duly registered voters who are present between the hours mentioned in the notice within the building or enclosure in which the election is held shall be recorded. No voter shall be admitted within the building or enclosure after the expiry of the period mentioned in the notice.

17. A voter shall be entitled to vote for the ward or wards in which he has any place of residence and for no other.

18. Each voter shall be entitled to vote for as many candidates as there are vacancies, but shall not give more than one vote for any candidate.

19. All persons wishing to vote must be present at the election. No vote by proxy or in writing shall be received.

20. No objection to a voter shall be entertained except on the ground that he is not the person under whose name as entered in the voters' register he claims to vote. Such objections shall be summarily decided by the presiding officer, whose decision shall be final.

21. The presiding officer shall then and there declare such candidates as have the largest number of votes to be duly elected. In the case of an equal number of votes being recorded in favour of two or more candidates, all of whom cannot be returned, selection shall be made from such candidates by lot, in such manner as the presiding officer may deem fit. The candidate thus selected shall be declared to be duly returned.

22. If any candidate, having been duly elected under rule 21, declines to take office, the unsuccessful candidate, if any, who received the largest number of votes shall be declared to be duly elected. If there is no unsuccessful candidate, a fresh election shall be held to fill the vacancy thus created.

23. If the number of candidates exceeds the number of vacancies, no candidate shall be declared to be duly elected unless 10 per cent. of the registered voters have appeared and recorded their votes; if not, the election shall be held to have failed.

24. If an election fails under rule 23, the presiding officer shall at once report the fact to the District Magistrate, explaining the circumstances which led to the failure. After considering all the circumstances the District Magistrate shall decide whether the vacancy or vacancies shall be filled by appointment or there shall be another election for the purpose. If, in his opinion, the failure was due to no default or neglect of the voters, he shall direct that another election shall be held and shall fix a date for such election, for which the register of voters previously prepared shall hold good.

MISCELLANEOUS.

25. Save as otherwise provided, all disputes arising under the preceding rules shall be decided by the District Magistrate or under his general or special orders by the Subdivisional Magistrate within whose jurisdiction the union lies.

26. Except as provided by rules 22 and 23, no election held under these rules shall be invalidated on any ground whatever.

27. The list of duly returned candidates shall be forwarded to the District Magistrate within a week after the election.

28. No person in the employment or pay of the district, local or union board shall directly or indirectly engage in canvassing for votes or otherwise assist in the election of any candidate otherwise than by giving his own vote. Any breach of this rule will render him liable to dismissal.

29. All costs incurred in the preparation of the register of voters, the publication of notices, the holding of elections, or taking any other necessary action under these rules shall be payable from the union fund. In the case of a newly-created union board, in which no union fund has been formed, the District Magistrate shall advance such sums as may be required; and such sums shall be recoverable from the union board within six months.

APPOINTMENTS OF MEMBERS.

30. As soon as possible after the receipt of the list of elected members referred to in rule 27 the District Magistrate shall appoint members, if any, under sub-sections (3) and (4) of section 6 of the Act.

PUBLICATION OF THE NAMES OF MEMBERS.

notification to the circle officer or such other person (not being one of the members) as the said Magistrate may select, with an order directing him to convene a meeting of the members for the purpose of electing a President from among them, within one month from the date of such order.

33. At such meeting one-half of the number of members shall be necessary to form a quorum; if, however, the board consists of 7 or 9 members, 4 or 5 members, respectively, shall form the quorum. There shall be no election of a President unless a quorum is present.

34. The meeting shall be presided over by the circle officer or other person convening it under rule 32. The presiding officer shall ask the members to record their votes in writing, and each of the members voting shall hand to him a signed voting paper containing the name of the person for whom he votes. No member shall vote for more than one candidate.

35. The candidate for whom there is the largest number of votes shall be declared by the presiding officer to be the President of the board. In the case of equality of votes, the presiding officer shall give a casting vote.

36. If the members fail to elect a President within one month of the Magistrate's order, the fact shall be reported to the District Magistrate, who shall then ask the District Board to appoint, under section 8 of the Act, one of the members to be the President.

ELECTION OF VICE-PRESIDENT.

37. After the President has thus been elected or appointed, as the case may be, the members shall, if they consider a Vice-President necessary, elect one of their own number to be the Vice-President in the same manner as that prescribed for the election of the President in rules 33 to 35, the newly elected or appointed President performing the functions of the presiding officer, and giving his usual vote, and also a casting vote if necessary.

38. In the case of a casual vacancy occurring under section 13 of the Act on account of the removal, resignation or death of an elected member, the vacancy shall be filled by election in the manner prescribed by rules 8 to 22, and the provisions of rules 23 to 31 shall be applicable to such election. It shall not be necessary to publish the register of voters or extracts from it, provided that the register shall at all times be open to public inspection at the office of the union board, and all persons whose claims have been admitted under rule 6 shall be entitled to vote at such election. The President shall in the case of each by-election publish a notice stating the latest date upon which claims to be registered will be received.

No. 3761M.—The 10th November 1919.—Under rule 7 of the Local Authorities' Loans Rules, 1915, as subsequently amended, it is hereby notified, for general information, that the Governor in Council intends to sanction the following application from the Commissioners of the Dinajpur Municipality for a loan of Rs. 4,000 from Government, bearing interest at the rate of 6 per cent. per annum, and repayable in eight equal half-yearly instalments of Rs. 569-13-3 each, unless good reasons are shown to the contrary within one month from the date of the publication of this notification within the said municipality.

Application from the Commissioners of the Dinajpur Municipality for a loan of Rs. 4,000 for reconstruction of two, and construction of one, pucca drains within the Municipality.

[illegible]

For reconstruction of two, and construction of one, pucca drains within the Municipality—Estimated amount Rs. 4,113.

an average of ordinary income calculated on the basis of the figures shown in columns 13-16 was below the average of ordinary expenditures shown in columns 17-19. Therefore there was a deficit instead of a surplus. But this state of things was principally due to the fact that during the last three years some of the most frequent and important thoroughfares which were used to be metalled with brick known formerly were metalled with stone known as bavior coats, as metalling with stone was found to be more durable and less costly in the long run. All the sums of the 2,500 have been allotted for surveys of municipal roads and with a view to avoid costly litigation to remove encroachment. After this survey is made the said amount will be at the disposal of the municipality to pay the instalments of the proposed loan.

The loan applied for is required for urgent reconstruction of two principal drains, which were materially damaged by flood caused by extraordinary rain, which years and for connecting another drain to drain out the accumulated rain water which is causing much damage to the masonry of the locality. The Municipal Commissioner pays their boat and their attention to pay punctually the instalments of loan as they will fall due.

- (a) If the ordinary surplus is insufficient to meet the charge of the proposed loan, the particular steps which the municipality has taken, or has agreed to take, in order to make good the deficiency. Although there has been net deficit instead of surplus of income of this municipality on account of the reason stated under the remark column of the application, the Municipal Commissioners expect a surplus from the next year as explained under that column for reasons stated therein.
- (b) The reserve of taxation or other possible means of increase in the revenue of the municipality. Nil.
- (c) A statement of all outstanding loans specifying, in respect of each loan, the date when taken, the purpose (very briefly), the amount, the annual charges involved, and the amount still payable.
- (d) Any explanation is required to receipts and expenditure to show the true financial position of the municipality when such position is otherwise than the ordinary surplus would indicate. Although there has been no net surplus of income of this municipality for the last three years, yet the Municipal Commissioners have kept a sufficient closing balance at the end of every financial year to meet all necessary charges next year as shown in the application. In this connection the explanation given in the application under the remark column is also applicable.

No. 3775 L.S.-G.—The 12th November 1919.—In exercise of the power conferred by section 29A(2) of the Bengal Local Self-Government Act of 1885 (Bengal Act III of 1885), the Governor in Council is pleased to reappoint the District Magistrate of Midnapore to be Chairman of the District Board of Midnapore.

Williams, Sanitary Engineer, Bengal, is allowed combined leave for 15 months, viz., privilege leave, under article 260 of the Civil Service Regulations, for three months with effect from the 13th November 1919 or any subsequent date on which he may avail himself of it, additional privilege leave for 10 days or the amount due under the Government of India, Finance Department order No. 168 C.S.R., dated the 24th February 1919, and furlough for the remaining period under article 308 (b) of the Regulations.

NOTIFICATION.

No. 1T.B.—The following lists of English and Vernacular text-books approved for use in all classes of Government and recognised schools (both in English and Vernacular) in the Presidency of Bengal for the year 1920, are published for general information. Text-books prescribed by the Calcutta University for Matriculation Examination may be taken as approved by the Department.

Inspecting officers should refrain from recommending any books to the teachers of primary schools for selection and in giving advice to District Boards in the matter of selection of text-books, should bear in mind that the system of exclusive prescription is to be discouraged.]

Model Lessons in the History of India for Higher Classes. (Macmillan & Co.) Re. 1-4. (For teachers only.)

Geography.

The teaching of this subject, by whatever method is adopted, must in every case be supplemented by the use of maps, charts and pictures. Teachers should consult the "Teachers' List" and apply to leading publishers for their lists, as these are now comprehensive and specially adapted to the needs of Indian schools. Such pictures as "Scenes from other lands" (Macmillan) are suitable for school work, are interesting to children and bring brightness and colour to the class room. Head Masters are requested to see that all the school maps and pictures are on view every day and not stored in office rooms.

- (b) The necessity for keeping rooms clean.
- (c) The necessity for pure water, fresh air, sunlight and ventilation, the danger of shutting up sleeping-rooms.
- (d) The danger of insanitary and dirty habits such as spitting.
- (e) The necessity of exercise.
- (f) Some information as to how simple complaints—wounds, snake-bites, burns, etc., should be treated; how a drowning person should be handled, etc.

The teaching must proceed not merely by precept but by example. English Literature and Grammar.

For the books recommended by the University of Calcutta as indicating the standard of the Matriculation Examination in English, Headmasters are referred to the University Calendar. It should be noted that these books are intended only to indicate the standard expected of pupils on the completion of the high school course. These books are not suitable for such junior classes as III and IV; and, if used, they should be confined to the last year of study.

For High School Classes.

(1) For classes II, III and IV, the senior books of the following series:—

- (a) New English Course for Indian Schools. (Longmans, Green & Co.)
- (b) New English Readers. (Macmillan & Co.)
- (c) Star of India Readers, Book V. (Blackie & Son, Ltd.)
- (d) A First Book of Literary Reading. J. W. Holme. (K. and J. Cooper.)
- (e) Fourth Direct Method English Reader. L. Tipping. (Macmillan & Co.)

(2) For English texts suitable for additional and supplementary reading in classes II, III and IV, see list B. Care should be taken to select books that appeal to Indian boys; and some effort should be made to encourage their reading on historical lines, and to make them acquainted with current events. "England and India" (Longmans, Green & Co.) deals with the British Empire in the East, and explains the work done by the British Government in and for India.  (f) Some information as to how simple complaints—wounds, snake-bite, burns, etc., should be treated; how a drowning person should be handled, etc.

The teaching must proceed not merely by precept but by example. Geography.

The teaching of this subject, by whatever method is adopted, must in every case be supplemented by the use of maps, charts and pictures. Teachers should consult the "Teacher's List" and apply to leading publishers for their lists, as these are now comprehensive and specially adapted to the needs of Indian Schools. Such pictures as "Scenes from Other Lands" (Macmillan) are suitable for school work, are interesting to children and bring brightness and colour to the class room. Head Masters are requested to see that all the school maps and pictures are on view every day and not stored in office rooms.

FOR THE YEAR 1919-20.**

THE following subject has been selected for "Babu Brajamohan Dutt's Prize" of Rs. 45 for the year 1919-20 :—

The Model Woman according to the Orthodox Ideas.

The conditions for the award of the prize are—

- (1) That the competition be open to all educated women, being natives of Bengal, without regard to age.
- (2) That the prize of Rs. 45 be given for an essay to be written either in Bengali or Sanskrit.

- (3) That the essays be sent to the Central Text-book Committee for adjudication within six months of the date of advertisement.
- (4) That each essay be accompanied by a written declaration from the husband, parent, or guardian of the competitor that, to the best of his belief, she has received no assistance of any kind, direct or indirect, in writing the essay.

Candidates are requested to send their essays not later than the 31st December 1919 to the Secretary to the Central Text-book Committee, Office of the Inspector of Schools, Presidency Division, 8, Dalhousie Square, Calcutta. The envelope containing the essay should be superscribed "Braja-mohan Dutt's Prize Essay." The name of the successful competitor will be published in the *Calcutta Gazette*.

A lady who wins the prize in any year is not debarred from subsequent competition, and if the essay submitted by a competitor who has been previously successful is adjudged to be the best, the name of such a competitor will be published in the *Gazette* as the winner of the competition. The actual prize will, however, in these circumstances, be awarded to the competitor whose essay is adjudged to stand next in order of merit, provided that her essay comes up to the standard required by the next clause.

If none of the essays come up to a standard which is, in the opinion of the examiners, adequate, no prize will be awarded.

The World, with fuller treatment of India (Longmans' Geographical Series for India, Book II).

F. D. Unstead ... The Practical Geography, Parts I and II.

The following books are recommended for the use of teachers:—

Frew	... A Regional Geography of the Indian Empire (Blackie and Son).
Wallis	... The Teaching of Geography (Cambridge University Press).

The following book is recommended for the use of teachers in connection with the teaching of "Sand Modelling" in the lower classes of schools:—

A. E. Frye	.. The Child and Nature.
------------	--------------------------

Every school that intends to undertake instruction in Geography for the Matriculation Examination is required to possess the apparatus mentioned in the following list:—

I—(the total cost need not exceed Rs. 65)—

1. A measuring tape.
2. A magnetic compass.
3. Squared paper and tracing paper.
4. Clay, dry sand, paper pulp for modelling.
5. A globe, not less than 14 inches in diameter, with writing surface, and with line of latitude and longitude, and outlines, only of the land masses, marked upon it.
6. A map of the school locality on a scale of 4" or 6"=1 mile.
7. A map of the district in which the school is situated on the scale 1"=1 mile.
8. A coloured map of the province.
9. A coloured political map of India.
10. A physical map of India.
11. A relief map of India.
12. A map of the world on Mollweide's equal area projection and a map of Asia.

It is essential that the students should be provided with atlases, or with the necessary hand-maps, and with a drawing instrument box. Maps for school work should not contain too much detail, or be crowded with names.

II. The following additional equipment is recommended when it can be provided, but that lack of it is not to be considered as a bar to the recognition of the school in Geography:—

1. A thermometer.
2. A mercury barometer.
3. A rain-gauge.
4. A small collection of typical rocks, in particular, those of the province and of India.
5. A small museum of typical products.
6. A good standard atlas.
7. Geographical pictures.
8. Magic lantern and slides.

1. The attention of teachers is requested to the raised maps of Bengal and Eastern Bengal and Assam made of paper pulp, prepared by Babu Kailas-chandra Datta, Head Pandit, Habiganj Government Girls' School, Sylhet, and sold for Rs. 7 and Rs. 5, respectively.

(2) Globes of all kinds are made by George Philip and Son, London, W., and A. K. Johnston, London, and Messrs. Ruddiman Johnston, London.

Small hand globes of German make can be obtained through the Indian School Supply Depot for about a rupee each.

(3) The "Comparative" series of large wall maps of the continents published by George Philip and Son is good and up to date; so also are the Orographical wall maps published by Edward Stanford. Messrs. Ruddiman Johnston publish a series of smaller wall maps which includes maps of India illustrating various distributions.

Messrs. Nelson's wall atlases are good. Mr. S. B. Chatterji publishes District maps; also ordinary and relief maps of the province.

Babu L. M. Basu, the drawing master of the Dacca Collegiate School, has published good relief maps of Eastern Bengal and Assam and of India.

The Vidal-Lablache French wall maps on strong cardboard, named on one side, and the same map without names on the reverse, published by Armand Colin, Paris, are good and cheap. They measure 46 inches by 39 inches and can be delivered in Calcutta for Rs. 4-14 each.

(4) The hand maps, coloured to indicate relief, published by the Diagram Company, West Barnes Lane, New Malden, Surrey, at one penny each, are the best of their kind.

The uncoloured half-penny maps showing river systems and a few towns, published by the same Company, are excellent for class use.

The Autograph hand maps, with hill shading in brown, published by Edward Stanford, London, at one penny each, are very good, and are larger than the Diagram Company's hand maps. The 15 inches map of the world on Mollweide's equal area projection is specially to be commended.

(5) Wall pictures of considerable artistic merit are published by Messrs. Edward Arnold of Leeds, Messrs. Hachette of Paris and Messrs. Holzel of Vienna, and Messrs. Longmans, Green and Company. They cost, delivered in India, from two to three rupees each.

Map lantern slides and view slides especially prepared for Geography teaching are sold by the Diagram Company for two or three shillings each. Mr. Bartington Smith of Darjeeling also sells good picture slides of the Himalayas at Rs. 15 per dozen.

ELEMENTARY MECHANICS.

|-------------------|--|
| Sir Philip Magnus | ... Elementary Mechanics (Longmans, 1903). |
| A. N. Sen | ... Elementary Mechanics. |

The following list of apparatus is prescribed as indicating the approximate requirements of a recognised High school seeking to teach Elementary Mechanics for the Matriculation Examination :—

- Plumb-line and Level.
- Simple Lever (including brass slotted weights).
- Roman Steelyard.
- Lecture apparatus for experiments on moments.
- George's New Atwood's machine.
- Stop-watch.
- Glazebrook's apparatus (to demonstrate movement of a body).
- Hick's Ballistic Balance.
- Compound Wheel and Axle.
- 4 Single Brass Pulleys.
- 2 Single Brass Pulleys.
- 2 Triple Brass Pulleys.
- Weston Differential Pulley Blocks ($\frac{1}{2}$ ton).
- 16 feet of chain at 6d per foot.
- Inclined Plane.
- Parallelogram of Forces apparatus.
- Wall Crane.
- Becker's New Physical Balance.
- Set of Gramme Weights (200 grams to 1 mgr.).
- 2 Composition-ivory Balls.

NOTE.—The above list is not exhaustive, and much of it might be replaced by simpler forms that could probably be made far more cheaply by any clever mistry under proper supervision. In most cases, however, it will probably be found advantageous to buy such a set as indicated in the list specially for demonstration purposes, and subsequently to develop simplified duplicates, illustrating the same principles, which the boys should be given opportunity actually to experiment with on their own individual account or working in pairs.
